

THE PASSIONATE MOM Personality Test

(taken from Florence Littauer's *Personality Plus: How to Understand Others by Understanding Yourself*)

Directions: In each of the following rows of four words across, choose the one word that most often applies to you. If you are not sure which word "most applies" think of what your answer would have been as a child. When finished, count the number of circles in each column and total them at the bottom of the column. The column with the highest number is your designated color. If you have a tie between two columns, compare those columns and evaluate which one best suits you.
